

 Deputy Director
for Administration

DDA 85-3818
7 November 1985

NOTE FOR: Director of Information Technology
Director of Finance

SUBJECT: ACIS

Bill,

After receiving yesterday's briefing on ACIS and BARS, it appears that we should work toward getting a schedule developed ASAP. Until we have milestones on paper, I think we cannot get a handle on these programs. I still worry about the time it has taken to get where we are (wherever that may be).

Harry E. Fitzwater
